For the 2019 breeding season, The Detail Man will be standing at Sunlight Farm. Cooled, shipped semen will be available. All billing payments and receipts will be handled by Betsy Smith at Jump The Moon Ranch.

The stud fee is \$500. Included in this fee is a non-refundable booking fee of \$100 (payable with this contract), which reserves a breeding to the stallion and the first shipment of semen. Subsequent shipments, if necessary, will be \$250. The entire amount of the stud fee must be paid prior to any breeding services. Allow 2 weeks for payment by personal check.

Mare Owner hereby understands that advance notice by 6pm Central time, the day before collection, must be provided to Jump The Moon Ranch for the semen collection and shipment. Collection/shipment schedule will be Monday, Wednesday, Friday morning. Shipments are made using Federal Express priority overnight service. We cannot ship counter to counter. It is the buyer's responsibility to check with their local Federal Express to ensure delivery availability and times in their area. Sunlight Farm is not responsible for loss or damage to shipment once it leaves the farm.

This contract contains a "Live Foal Guarantee", defined as a newborn foal which stands and nurses. If the mare does not deliver a live foal, or if the mare refuses to settle, aborts, or miscarries, the Mare Owner may carry over the contract for 2020. This will be valid only if the Mare Owner has properly maintained the health of the mare, and verifies the mare's pregnancy loss, stillbirth, or newborn foal death by providing the Stallion Owner with an original, signed and dated veterinary statement clearly stating the following: Identification of the mare named herein, verification of the loss of pregnancy or stillbirth and verification that, in the veterinarian's best judgement, the mare was maintained in a reasonable state of health and under reasonable conditions, and that monitoring of the mare around the time of foaling was adequate enough to reasonably detect and attend to any foaling difficulties. Stallion Owner must receive this certificate within two weeks (14 days) of the discovery of the mare's pregnancy loss or foal death. The mare may be rebred in 2020, waiving all fees, except the collection fees.

The Live Foal Guarantee herein will be void and the Stallion Owner released from liability if:

- A. The mare is sold by the Mare Owner prior to foaling, unless approved by the Stallion Owner.
- B. Booster rhinopneumonitis vaccination, as indicated by the individual drug manufacturer, are not administered by the Mare Owner as the mare progresses through her pregnancy.
- C. The mare is allowed to graze on Fescue pasture during the last 3 months of pregnancy.
- D. If breeding via shipped semen, Mare Owner does not have their veterinarian complete, sign and return a Certificate of Insemination and Pregnancy Examination to Jump The Moon Ranch.

The mare Owner must provide proof of a negative culture from their veterinarian prior to shipment of semen. Exception of this is if the mare is being bred on a foal heat.

It is agreed that if the sire to which this contract pertains should die or otherwise become unfit for service anytime during the life of the contract, the stud fee paid (less booking fee) shall be refunded within thirty days and this contract shall then become null and void. Should the mare die or become unfit for service

anytime during the life of the contract, then a substitute mare will be allowed, but in no other way alters the contract.

Upon notification of the birth of a viable foal, the Stallion Owner will issue the Mare Owner a Breeding Certificate. This contract is non-assignable and non-transferable. It will be governed by the laws of the State of Oklahoma. Any legal action must be filed in Leflore County Court, Poteau, Ok. The Stallion Owner reserves the right to refuse service to any party and void this contract by way of certified letter and refund of any unused fees.

I, the undersigned, do hereby certify that I am the Mare Owner named herein, or a duly authorized agent and as such, have the authority to enter into and be bound by this contract as witnessed by my signature. I also certify that I have read and understand the terms of this contract.
